ADVERTISING (MAP) POLICY

To protect the pricing integrity of Pro Moto Billet, all public price advertising must be at current MSRP price levels per the conditions in the following MAP policy. Pro Moto Billet will benefit our resellers by enabling them to grow sales of Pro Moto Billet branded products while protecting against price discounting.

A. Pro Moto Billet will issue printed price lists indicating Manufacturer's Suggested Retail Pricing (MSRP) and maintain a current listing with effective date of MSRP on its internet website which can be amended at any time by Pro Moto Billet at its sole discretion. Any priced advertisement by any re-seller in any media such as but not limited to internet or similar electronic media, radio, television, flyers, posters, catalogs, mail order catalogs, magazines, e-mail newsletters, e-mail solicitations, coupons, mailers, inserts, newspapers, and public signage must be at current MSRP as indicated on the printed price list or Pro Moto Billet website. Any pricing advertised that does not match or exceed the above will be a violation of this MAP policy and subject to enforcement procedures as identified later in this document.

B. This MAP Policy applies only to advertised prices and does not apply to the actual price that Pro Moto Billet products are sold or offered for sale directly to an individual consumer within Reseller's location or over the telephone. Resellers are free to final sale Pro Moto Billet products at any price they choose under the circumstances contained in this document.

C. The inclusion in advertising of any free or discounted products with a product covered by this MAP Policy would be contrary to this MAP Policy if it has the effect of discounting the advertised price of the included Pro Moto Billet product lower than current MSRP as indicated on the Pro Moto Billet website or printed price list.

D. This MAP Policy does not establish maximum advertised prices. Resellers may offer Pro Moto Billet products at any price in excess of current MSRP.

E. Internet auctions may not display or have reserved bid or other acceptable prices below the current MSRP.

F. Pricing listed on an Internet site is considered an "advertised price" and must adhere to this MAP Policy. Statements such as "we will match any price"; "call for price" or similar phrases are acceptable as long as the price advertised or listed for the products is not lower than current MSRP. In addition, discounts applied at checkout to the customer's entire order based on customers purchasing history with the Reseller, such as discounts for "frequent shoppers," do not violate this MAP Policy.

G. Pro Moto Billet reserves the right to offer promotions on certain products, and/or to authorize "clearance" pricing for any or all of its Dealers. In such an event, we reserve the right to modify or suspend this MAP Policy in whole or in part by notifying any other affected Dealers or Resellers of the nature and duration of the change. Pro Moto Billet further reserve the right to adjust the MSRP with respect to all or certain products at its sole discretion. Such changes shall apply equally to all resellers. It is the responsibility of the Dealer to have all clearance or other product discounts approved by Pro Moto Billet, so as to not be in violation of this MAP policy.

ENFORCEMENT PROCEDURES

Pro Moto Billet has included its MAP Policy Enforcement Procedures in the Dealer Agreement to ensure all dealers signing the "acknowledgment" page are aware of the severity in which Pro Moto Billet will deal with violators of this policy. Any determinations by Pro Moto Billet under these enforcement procedures shall be binding upon the violator.

A. First Offense

1. A member of the Pro Moto Billet Support Team will contact the violator via e-mail, telephone or letter and remind them of the MAP Policy and identify the nature of the violation.
2. A copy of the MAP Policy will be sent to the violator and they will be required to sign and return the signature page acknowledging the violation and their willingness to conform.
3. The violator will be given 5 working days to conform to the MAP Policy and cure the violation.
4. A permanent record of this process will be documented in a Pro Moto Billet internal file for future reference. Noncompliance within the 5-working day cure period will result in 6-month suspension period with Pro Moto Billet and its Distributors in which no Pro Moto Billet may be sold to the violator by Pro Moto Billet or its Distributors. (Distributors are required by their Distributor Agreement to follow the enforcement procedure of this Policy.) Anyone found to be supplying a violator during their probationary period will be subject to the same suspension as the original offender.

B. Second Offense

1. A member of the Pro Moto Billet Support Team will contact the violator via e-mail, telephone or letter and again remind them of the MAP Policy and identify the nature of the violation.
2. The violator will be reminded of their previous offense and a copy of the signed conformance page will be forwarded to them.
3. The violator will then be placed on another 6-month suspension period in which they will be unable to obtain Pro Moto Billet product from Pro Moto Billet and its Distributors under the same terms stated above in Section A.
4. At the end of the 6-month suspension period, Pro Moto Billet will make a determination as to whether the suspension will be continued for another 6 months. If the suspension is continued, it will be reviewed by Pro Moto Billet at the end of each 6 month period and either continued or terminated.
5. Once the suspensions are lifted, the violator will forfeit any Dealer level discounts they previously may have been granted for a term of one year of the date the suspension was lifted.

C. Third Offense

1. Anyone found to be violating the MAP Policy a third time will be permanently banned from purchasing Pro Moto Billet products from Pro Moto Billet and its Distributor network.
2. This permanent suspension will apply to the entity violating the MAP Policy as well as to the owners and /or operators of the violator, and to any organization owned by the owners and/or operators of the violator. (For example, closing and reopening the operation under a new name would not lift the ban).
3. Anyone found to be supplying a violator after a permanent ban is in place under these Enforcement Procedures will be subject to a permanent ban. The administration of this MAP Policy and any determinations made under it are solely within Pro Moto Billet discretion and authority. All questions about this MAP Policy should be in writing and directed via U.S. Mail to the Director of Sales and Marketing, Pro Moto Billet Inc, 114761 Lone Star Rd, Nampa, ID 83651. The Director of Sales and Marketing and the members of the Pro Moto Billet Customer Support Team have the sole authority to discuss, make determinations under, and undertake enforcement of this MAP Policy. No modifications to or exceptions from this MAP Policy shall be valid unless made in writing and authorized by the Director of Sales and Marketing or by the Pro Moto Billet President or CEO.
